Dinner — Parisa (Persian, Souq Waqif) ↗ (\$\$)

Falcon Souq + souq lantern wander ↗

Falcon Souq evening hours 4-8 PM weekdays — check; even if shops shuttered, the hawks are still on perches and the alley is lit. Loop through gold souq corridor, spice stalls, Saqr Square. This is the night photo set piece — phones out. 📍 [Open in Maps](#)

Infinity Rooftop Lounge (Alwadi Hotel) ↗ (\$\$\$)

BEFORE YOU GO

- **Heat warning:** 106-112°F mid-day. The whole plan is built around indoor/covered/night windows. Bring a 1L bottle each — souq stalls sell water for QAR 2.
- **Alcohol reality:** only hotel-licensed venues serve it. No bars outside hotels, no liquor stores for tourists. Infinity (Alwadi) + the Irish Pub (Best Western) are the two near the souq. Both card aggressively.
- **Tuesday closures:** NMoQ closed all day; Wednesday MIA would be closed (n/a for us). Falcon Souq shops shut 8 PM weekdays.
- **Dress:** shoulders + knees covered in the souq (Dani — light scarf). Smart-casual at Infinity (no shorts, no flip-flops for Eddie).
- **Skipped intentionally:** The Pearl Qatar (20 min taxi, mall vibe — not worth it for 19 hrs), Katara Cultural Village (15 min taxi, same reason), Lusail Boulevard (futurist eye-candy but 25 min and at night the heat finally drops at our hotel doorstep), NMoQ (Tuesday closed), desert dunes safari (eats half a day).
- **Cash:** QAR 200-300 covers all the cheap-eat / karak / taxi-tip moments. Cards work everywhere else.
-  **Dani hidden gems (slot in if energy / time):**
 - **Bin Jelmoor House (Msheireb Museums)** — Company House Bldg 1, Msheireb. The slavery-history museum tucked inside an old pearl-merchant's residence. Free, ~45 min, almost no tourists. The most photogenic + emotionally weighty room in the city. Tue 9 AM-5 PM. Hits on the Tue morning walk back from MIA.
 - **Falcon Hospital + Souq Waqif Falcon Clinic** — Souq Waqif perimeter, S side. The clinic adjoining the falcon souq treats actual hunting birds — you can walk in, see hooded falcons on perches getting checked, no fee. Open 8 AM-12 + 4-8 PM. Sensory off-grid Doha.
 - **Al Wakra Souq + heritage village** — 20 min cab S (still <1.5 hr rule). Restored pearl-diver village on the coast, lit at night, working oud + ittar (Arabic perfume) shops where you blend your own attar — **Aroma Perfume Workshop** does 30-min sessions, ~QAR 150 takeaway 12ml bottle. Cooler at night, near-zero crowds vs Souq Waqif.
-  **Sensual / couples extras (slot in opportunistically):**
 - **The Spa at Mandarin Oriental Doha — Couples Hammam Ritual** · Sheikh Suhaim Bin Hamad St, Msheireb. 90-min couples hammam in a private double-bed suite: black-soap scrub + rhassoul mud + 4-hand finish. **QAR 1,800 (~\$495) for two.** Open 10 AM-10 PM. The 9 AM Tue MIA slot could swap to a 10 AM 2-hour couples session here on arrival night if you don't club, then sleep hard — Msheireb is 8 min walk from Souq Waqif. Book: +974 4008 8888. **Why couple:** the most architecturally beautiful spa in the Gulf, private suite means no scarves/no rules — fully intimate.
 - **Private Pearl-Diving Dhow at Sunset** · Katara Beach or Souq Waqif marina. Charter a small wooden dhow (sailboat) just for the two of you, ~75 min cruise out past West Bay skyline at golden hour. Operators: **Dhow Cruise Qatar** +974 6688 0044 or **Sunset Doha** via GetYourGuide. **QAR 600-900 (~\$165-250) private boat for 2**, includes Arabic coffee + dates + dahab cushions to recline on. Departs 5:30 PM in June. The skyline lights up against the Gulf — single most photographable couple moment of Doha. Slot: skip Infinity Lounge Mon evening, do dhow instead, then dinner at Parisa as planned.
 - **Couples Oud + Attar Blending at Hadeya** (gold souq corridor inside Souq Waqif) — full hour, not the 30-min Al Wakra version. You each create a "signature scent" the other will wear for the rest of the trip. **QAR 250 (~\$70) for two** including 15ml bottles. Open 10 AM-12 PM + 4-10 PM, closed Friday morning. Sit in the back room over mint tea while the master blends to your skin chemistry. Tue Jun 2 11 AM is the natural window between MIA and check-out.
-  **Time Out Doha — Best Restaurants:** <https://www.timeoutdoha.com/restaurants> — no Eater coverage for this city; this is the next-best curated list.

BEFORE YOU GO

- **DIY tapas crawl** — no booking needed. Just walk into La Latina bars in the order listed. Save \$150+ vs the Devour tour.
- **Dinner plan:** keep Madrid casual. No fancy reservation needed.
- **Bernabéu Tour is OPTIONAL** — book the 4:30 PM Wed Jun 3 slot online (refundable up to 48h prior) so you can bail morning-of if you're toast from the Tue-night arrival. Tour + metro = ~3 hr commitment on Day 2 of the trip after ~6 hrs sleep.
- **Wed Jun 3 skip lane:** if the day feels stacked, the drop order is — (1) Bernabéu, (2) the 6:30 Plaza Mayor wander (or slide it earlier as an aperitivo). Hammam + tapas crawl + nightcap are the marquee moments, keep those. Temple of Debod was cut — Plaza Mayor handles the sunset vibe already.
- **Jet lag rule:** stay awake on arrival night, sleep hard after Madrid, and do not burn the day with long naps.
- **Skipped:** DiverXO (both no), El Retiro, Madrid in a Day VIP.
-  **Dani hidden gems (slot in if you have a 90-min window):**
 - **El Rastro flea market** ↗ — Calle de la Ribera de Curtidores, La Latina. **SUNDAYS ONLY 9 AM-3 PM — doesn't hit this trip (Tue arrival → Thu departure)**, but if Wed slot opens up there's a daily mini-version of permanent antique galleries on Calle Mira el Río Alta + the Galerías Piquer (Ribera de Curtidores 29) — 50 vintage / antique dealers under one roof, open Mon-Sat 11-2 + 5-8.
 - **Museo del Romanticismo** ↗ — C/ San Mateo 13, Chueca, 8 min walk from Wakafats. Tiny 19th-c bourgeois townhouse frozen in time: pink salons, parlor pianos, a chapel, a garden café almost no tourists know about. €3, Tue-Sat 9:30-6:30. Slots cleanly in the Wed 11 AM hammam-aftermath window. Garden café is the photo: tiled walls, ivy, ~10 tables.
 - **Oteyza atelier** ↗ — Calle Conde Duque 9, Malasaña. Spain's coolest contemporary tailor — sculptural capes, Goyaesque jackets, smoke-filled showroom with a back patio. Bespoke is >€2K but the ready-to-wear rack + the visit itself is worth it. Tue-Sat 11-2 + 5-8.
 - **Antigua Casa Talavera** ↗ — C/ Isabel la Católica 2, near Plaza España. 1904 ceramic shop, hand-painted Spanish tiles + pitchers stacked floor-to-ceiling in 8m² of pure Instagram. The owners are 4th-generation. Cash + small bills. Mon-Fri 10-1:30 + 5-8.
 - **Caixa Forum Madrid + vertical garden** ↗ — Paseo del Prado 36 (free entry, even if you skip the Prado). The Patrick Blanc living-wall outside is the photo; inside the rotating Asian/contemporary shows beat the Reina Sofía queue. Daily 10-8.
-  **Sensual / couples extras (slot in opportunistically):**
 - **Andrés Sardá flagship — Barrio de Salamanca lingerie** ↗ · Calle de Velázquez 56, Salamanca. Spain's couture lingerie house since 1962 (worn at Cannes + Crazy Horse). Different vibe from Fifi Chachnil — more architectural, less rococo. **€90-220 per piece**, custom fittings free w/ appointment. Open Mon-Sat 10:30-2 + 4:30-8:30. Metro Velázquez L4 (~15 min from Wakafats). **Why couple:** Dani picks, Eddie sits in the velvet armchair — same vibe as Eres in Paris, half the markup. Slot in Wed Jun 3 afternoon instead of Bernabéu.
 - **Vodevil Cabaret — Sala Albéniz** ↗ · Calle de la Paz 11, Sol (5 min walk from Wakafats). Madrid's serious burlesque house — Spanish + international acts, art-nudity registered with the city, not strip-club. Shows Wed-Sat 10 PM + 12 AM, ~90 min. **€35-45 pp ticket + €15 min bar**. Curated drag, neo-burlesque, aerial silks — no audience-pull-up bullshit. Book at vodevil.es. **Why couple:** if Crazy Horse is the Sportscar, this is the velvet jazz-club version — closer seats, eye-contact, hour-long acts.
 - **Bodega de los Secretos — private sommelier session in a 17th-c cellar** ↗ · Calle de San Blas 4, Las Letras (12 min walk). Restaurant on top, but the move is the **"Wine Cellar Experience"**: 90 min in a private vaulted alcove with their head sommelier, 6 Spanish wines (Ribera, Rioja Reserva, Albariño, sherry flight, txakoli, single-vineyard Garnacha) + matched tapas. **€85 pp / €170 total**. Book

reserva@bodegadelossecretos.com. Candle-lit, vaulted stone, just the two of you and the somm. **Why couple:** the "honeymoon-level dinner that isn't a loud Michelin showpiece" lens. Slot: Wed Jun 3 9 PM — replace the casual Chueca dinner.

 - **Hospital de Sant Pau Recinte Modernista**  — C/ Sant Antoni Maria Claret 167. A WORKING-hospital-turned-Modernisme campus by Domènech i Montaner — 12 pavilions of tiled domes + stained glass, basically Sagrada-rival architecture with 1/10 the crowds. 10 min from Sagrada. €16, daily 9:30 AM-5 PM. **Far more photogenic + empty** than Park Güell. Fits as a Fri Jun 5 add-on right after Sagrada/Towers if you skip the cab-to-Born detour.
 - **Carrer del Bisbe gothic bridge + Plaça Sant Felip Neri**  — Barri Gòtic, 8 min walk from hotel. The neogothic enclosed bridge between Generalitat + Casa dels Canonges is the most-photographed alley in Barcelona at golden hour. 3 min on foot from there: Plaça Sant Felip Neri, a tiny peach-colored square with Civil-War bullet holes pocking the church wall + a single splashing fountain. Movie set quiet. Free.
 - **Le Swing vintage**  — Riera Baixa 13, Raval. Cult curated vintage couture — Dior, YSL, Pucci, ~€80-400 dresses, owned by Maria, in business 20+ yrs. Open Mon-Sat 11-2 + 5-8:30. Pairs with the Thu pre-Moog Raval walk-through OR a Fri afternoon detour. The block (Riera Baixa) is the Barcelona vintage block — 5 more shops on the same 80m.
 - **Frederic Marès Museum (sculpture museum)**  — Plaça de Sant Lu 5, Barri Gòtic. One-room-after-one-room of a sculptor's lifetime of weird collected objects: ladies' fans, tobacco pipes, scissors, dollhouses, ex-voto paintings. €4.40, free Sun PM + first Sun of month. The hidden inner courtyard café "**Cafè d'Estiu**"  (summer-only April-Sep, orange trees + stone fountain) is one of the most photogenic spots in the Gothic Quarter and almost no tourists find it.
 - **Bagués-Masriera jewelers**  — Passeig de Gràcia 41 (Casa Amatller ground floor). Modernisme jewelry workshop est. 1839, still making Art Nouveau enamel + gem pieces. Window-shop the dragonflies + nymphs even if not buying — they're each tiny sculptures. Mon-Sat 10:30-8.
-  **Sensual / couples extras (slot in opportunistically)**:

- **El Molino — burlesque + cabaret in Poble-sec** ↗ · Carrer de Vila i Vilà 99 (12 min walk from hotel). The 1898 "Petit Moulin Rouge of Barcelona," restored 2010, now Catalonia's premier burlesque house. "**Maravillas en El Molino**" revue Thu-Sun 8 PM + 10 PM, ~80 min — French-style can-can + neo-burlesque + acrobats + live orchestra. **€39-65 pp**. Same lineage as Crazy Horse but Catalan/cheekier — performers come from Lido + Cirque. Book elmolinobcn.com. **Why couple:** velvet-booth seating + corseted MC = pure Eddie+Dani. Slot in Fri Jun 5 before The Roof / Paradiso (Roof can wait, Paradiso opens 11 PM).
- **Andrés Sardá Barcelona flagship** ↗ · Passeig de Gràcia 84, Eixample (10 min walk from hotel). Spain's couture lingerie house — same atelier dressing Crazy Horse. Bigger range than the Madrid store. **€90-220 per piece, free fittings**. Open Mon-Sat 10-2 + 4-8. Pair with **Bagués-Masriera** across the street. **Why couple:** a slow Fri morning errand together before Sagrada — Dani picks something to wear for The Roof.
- **Vinitus Wine Cellar private tasting** ↗ · Carrer del Consell de Cent 333, 1 block from hotel. The same Vinitus you already plan to tapas-crawl runs a private downstairs cellar — book the "**Catalan Cellar Experience**": 90 min, 6 wines (cava brut nature, Priorat, Empordà white, Penedès, vermut artesanal, dessert wine) + chef pairings, just you two with the sommelier. **€75 pp / €150 for 2**. Reserve grupovinitus.com or +34 93 363 21 27. **Why couple:** if you skip Sips (loud + theatrical), this is the slow intimate cellar version — book BEFORE the Vinitus tapas crawl Thu.
- **El Palace Mayan Luxury Hammam** ↗ · Gran Via de les Corts Catalanes 668 (10 min walk). Cheaper alternative to Aire if Aire is sold out: 60-min couples treatment in a private hammam suite + double massage. **€220 total for 2**, open 10-9. **Why couple:** Aire saver — and the suites are private (no shared pool floor).

- Drink lots of water — Morocco gets to 95°F+. Always carry a bottle.
-  **Dani hidden gems (slot in around the souks / post-hammam windows):**
 - **Le Jardin Secret**  — Rue Mouassine 121, 8 min walk from Djemaa el-Fna. A 400-year-old riad-garden buried in the medina, restored 2016, two distinct courtyards (Exotic + Islamic) with channels of water + orange trees + a climbable tower for medina rooftop views. 80 MAD, daily 9:30-6. **Way calmer + more photogenic than Majorelle** (since Eddie's no on Majorelle, this is the substitute). Café inside.
 - **Maison de la Photographie**  — 46 Rue Souk Ahal Fassi, behind the Madrasa Ben Youssef. 3-floor riad displaying 4,500 vintage Moroccan photos (1870-1950) — Berber women, oasis caravans, Casablanca port at dawn. ROOFTOP CAFÉ has the best view in the medina + mint tea + couscous, 60 MAD entry. Daily 9:30-7. Tiny + barely on tourist radar.
 - **Topolina vintage / Norya Ayron / Max & Jan**  — souk fashion trio. Topolina (Rue Riad Zitoun el Kdim, near Bahia) = French-Moroccan vintage caftans + curated 1970s pieces, 800-2,500 MAD. Max & Jan (Rue Amesfah 14, Mouassine) = Belgian-Moroccan design house, mod kaftans + concept-store everything. Both insider's-Marrakech, almost no tour groups. Open daily 10-7.
 - **Henna by Mehdi (Henna Café)**  — 93 Arset Aouzal Rd, 6 min walk from Djemaa. Real plant henna by appointed artists (not the toxic black "henna" tout traps), set prices listed on a board, designs ~150-400 MAD, profits fund local literacy school. Daily 10-7 + reservations welcome. **The Dani-friendly henna play** — no scams.
-  **Sensual / couples extras (slot in opportunistically):**
 - **Royal Mansour — La Table rooftop cocktail + spa-courtyard peek**  · Rue Abou Abbas El Sebti, Hivernage. The most expensive hotel in Africa (HM the King's own — 53 private riads, gold-leaf hallways). You don't need to stay — just **book a 6 PM aperitivo** at La Table or the cigar bar. Cocktails 200-280 MAD (\$22-30); entry gets you the underground service-city hallways + silver-tiled spa courtyard (full day-pass to the spa pool 350 MAD/\$38, no treatment required). Smart elegant. **Why couple:** Marrakech's dress-up moment, the silver hammam-courtyard alone is the photo. **Slot:** Wed Jun 17 7 PM, then pre-club dinner, then Theatro.
 - **Selman Marrakech — Arabian horses golden hour + cocktail**  · Km 5, Route d'Amizmiz (15 min cab S of medina). Jacques Garcia-designed boutique hotel with a private stable of 12 pure-blood Arabian stallions visible through a glass wall from the pool bar. Book **"Horse + Apéro"**: stable-master shows you the horses at 6:30 PM golden hour (no riding), then poolside cocktails under olive trees. **~800 MAD (\$85) for two** incl. drinks. Email hospitality@selman-marrakech.com or +212 524 459 600. Garcia velvet + Arabian horses + Atlas backdrop. **Slot:** Mon Jun 15 — push the food tour to ~7:30 PM start, do Selman 5:30-7 PM right after Les Bains.

- **Le Jardin Secret — private after-hours hammam ↗** · Rue Mouassine 121, medina. The 17th-c restored riad-garden is tourist-during-day, but they run an evening "Privatisé" couples hammam in the basement: black-soap gommage + ghassoul wrap + double massage + tea on the moonlit roof, just the two of you in the entire palace 8-10 PM. **~1,800 MAD (\$195) for two, 2 hrs.** Book 48h ahead via info@lejardinsecretmarrakech.com or +212 524 39 00 40. **Why couple:** Les Bains is day-spa, this is night-spa — and you get a 17th-c riad to yourselves. Slot: Wed Jun 17 evening (instead of pre-club dinner — combine spa + dinner-at-Nomad into one move, then Teatro).
- **Henna Café — private courtyard appointment (already noted, expand) ↗** · skip the Djemaa tous entirely. Book the **"Bridal Henna for 2"**: 60-90 min upstairs courtyard, both arms/hands for Dani + a token line for Eddie, mint tea + msemmen, ~400 MAD (\$45) for two. Eddie's "hours-long henna sit" wishlist item — done properly.
- **Riad Yima café + Hassan Hajjaj boutique ↗** — Derb Aârojane 52, near the Mellah. The Moroccan pop artist's actual atelier — recycled-can lampshades, tin-frame portraits, kaftan capsule lines, ~200-2,000 MAD. The café itself is the photo: zellij + technicolor cushions + Hajjaj's signature aesthetic. Daily 10-6. Mint tea ~30 MAD.

- 🐎 **Beach ride alternative:** horse on the beach (Ranch de Diabat, ~€30 pp) beats the camel for photos and is gentler.
- **Cooking class:** Essaouira Cooking Class — fits Friday morning if interested.
- **Bath houses:** Essaouira hammams are gentler/cheaper than Marrakech. Try Hammam Mounia.
- Pack: light jacket! Atlantic breeze can drop temps to 60°F at night.
- Skipped: Asian Red Food (only Asian option, weak signal).
- 💎 **Dani hidden gems (slot in Fri/Sat afternoons):**

 - **Argan Oil Women's Co-op (Marjana / Tighanimine)** — Av. de l'Istiqlal cooperative storefronts inside the medina (verify cooperative-stamped bottles, NOT souk knock-offs). Watch the actual stone-crushing demo, smell raw vs roasted, ~80 MAD / 100 ml. Skip the highway co-ops on the road from Marrakech, go in-town. Daily 9-7.
 - **Bayt Dakira / Maison de la Mémoire Juive** — Mellah, near old synagogue. Restored 19th-c Jewish heritage house + Slat Attia synagogue (one of last functioning Atlantic-coast synagogues). 30 MAD, Tue-Sun 9-6. One-room museum, micro-history, no tour buses.
 - **L'Atelier Madada cooking school** — 7 bis Rue Youssef El Fassi. Half-day women-run cooking class — go to the port for fish at 9 AM, cook 4 dishes at the riad, eat on the rooftop. ~€55 pp, ~4 hrs. Booking: atelier-madada.com. **The Dani sensory dream** if Fri morning opens up (before port lunch).
 - **Thuya wood workshops on Rue de la Skala** — tiny family ateliers carving cedar + lemon + thuya into boxes, chess sets, perfume bottle stoppers. Watch the lathe + inlay work. Boxes €5-50, takes 30 min to choose. Daily 10-7. Rue de la Skala is also the most photogenic "blue alley" in Essaouira at 7 PM golden hour.

BEFORE YOU GO

- **Sleep-in logic:** after late nights, start mornings later; no full day blocks. Plane sleep counts as recovery credit.
- **SAN JUAN NIGHT:** bring towel, swimsuit, snacks, drinks, lighter. Arrive at Los Cristianos beach by 9 PM for spot near bonfire.
- **El Rincón de Juan Carlos** — booking still on waitlist for Jun 22 or 24. Smart casual attire. **Backups if waitlist fails: Donaire (1★, GF Victoria, 5-min taxi)** bookable on TheFork — best same-day-walk-in odds. **M.B by Berasategui (2★, Abama, 35-min taxi)** = match the star count. Skip Coyote Ugly / Palladium / Bobby's = stag/hen tourist traps.
- **BOOK NIGHT-BEFORE TAXI** for 4 AM Wednesday morning to TFN North airport.
- **Strip clubs:** Verónicas Strip has several adult venues. Most well-known is **Coyote Ugly Tenerife** and **Palladium** (cabaret-style). Discreet research advised.
- **Spa / Bathhouse: Aqua Club Termal in Costa Adeje** ↗ (10 min taxi) — co-ed multi-pool thermal + sauna + steam, €40 pp entry. Now slotted Wed Jun 24 11 AM-1 PM as fire-night recovery. Cleopatra's in-house Mare Nostrum spa is the lazy backup.
- 🍷 **Mercado Municipal Adeje (Mercadillo del Agricultor)** — **SKIPPED but noted:** Archajara, Adeje. Sat/Sun 8 AM-1:30 PM + Wed 3-7 PM. 35 stalls of local producers + fish stand. Doesn't fit the schedule (Wed afternoon = Aqua Club + La Caleta; Sat = arrival travel day). Mercado Nuestra Señora de África in Santa Cruz is the bigger one but 1hr north — skipped per no-far-daytrip rule.
- Skipped: Mount Teide, Masca, Whale Watching, Aqualand, Jungle Park (Eddie no on most).
- 💎 **Dani hidden gems (in or near Costa Adeje — no far day trips):**
 - **Cueva del Hielo + La Caleta old town** ↗ — Calle La Enramada area, La Caleta (15 min cab, where you're already lunching Wed Jun 24). Beyond the harbor restaurants there's a tiny lava-tube grotto + fishermen's cottages painted seafoam green-and-white, mostly empty by sunset. Combine with the La Vieja lunch slot — 20 min wander post-meal.
 - **Mercadillo del Agricultor de Adeje** ↗ — Archajara s/n, Adeje (15 min cab from hotel). Wed 3-7 PM + Sat-Sun 8 AM-1:30 PM. The actual local farmers' market — 35 small Canarian producers selling papas antiguas, mojos in repurposed bottles, gofio, queso fresco. **Fits Wed Jun 24 — slot between Aqua Club + La Caleta if energy permits** (3-7 PM window). NOT the Mercado Nuestra Señora África in Santa Cruz (which is 1 hr north).
 - **Pirámides de Güímar (ethnographic park)** ↗ — Calle Chacona s/n, Güímar (40 min cab — borderline at edge of the <1.5 hr rule; skip if tight). Thor Heyerdahl's controversial step-pyramids + an excellent botanical poison-plant garden + a museum on Canary–Polynesia connections. €18, daily 10-6. Skippable but very Dani-flagged (weird single-thesis museum).
 - **Las Vistas tide pools at low tide** ↗ — south end of Playa de las Vistas, 8 min walk from hotel. At the rock spit dividing Vistas + Cristianos beaches there are natural tide pools the locals slip into when the tide drops — check the LOW TIDE TIMES ([tideschart.com/Tenerife](https://www.tideschart.com/Tenerife)) and time a 20-min visit. Free, completely off the cruise/tourist radar.
 - **Mirador de Archipenque** ↗ — Carretera General TF-454, Los Gigantes side (35 min cab — borderline). Glass-floor cliff viewpoint over the Los Gigantes sea cliffs (the tallest in Spain). Free, daytime. Pair with a Masca village photo stop if you ever do a north-side day, but probably skipping per the no-far-daytrips rule.
- 🕒 **Time Out Tenerife — Where to Eat:** <https://www.timeout.com/tenerife> — bookmark for late-night "where should we eat" decisions.

Ground-floor cloister with the carved "Mikeldi" stone idol (Iron Age zoomorph), free entry first Sat of month. Tiny one-floor museum, all Basque ethnographic — txalapartas, fishing nets, txapelas. €3, Tue-Sat 10-7, Sun 10-2. Skip the new bigger Euskal Museoa — this is the original.
 - **Lurrak vintage + Persuade vintage ↗** — Lurrak (C/ Lersundi 14, Indautxu) = small curated vintage Levi's + Lee + 70s leather, run by a former stylist. Persuade (C/ Bidebarrieta 14, Casco Viejo) = 80s/90s couture rack. Both Tue-Sat 11-2 + 5-8:30. Lurrak is literally on the bar-crawl Lersundi block.
 - **Pasealekua de Etxebarria + Mirador Etxebarria ↗** — 8 min uphill walk from Casco Viejo. Park with an old steel-mill chimney left standing on a hilltop + a wood-deck viewpoint of the whole Casco Viejo + Bilbao river bend. Free, 24/7.  - **Casa Quintana / Bilboko Kafe Antzokia tile-tour ↗** — C/ San Vicente 2, Indautxu. The 1853 Quintana hardware store still has its original wood drawers + brass weighing scales + tile floor; it's now a frozen-in-time architectural shop. Then Bilboko Kafe Antzokia is the locals' Basque-language theater-café with concerts most nights — check the bulletin board for Thu/Fri shows ~€10-15. Free walk-in.

-  **Michelin LOCKED & CONFIRMED: Berasategui (3★)** — **Sat Jun 27, 8:45 PM, table for 2** ↗ (off the waiting list). Note on file: Tasting Menu for 2, celebrating the 33-day trip. €395 pp. Closed Sun/Mon/Tue. Arzak, Akelaře, Kokotxa, Mirador de Ulia, Amelia all closed Sun in late June — Sat is the only Michelin night. Fallback only if plans change: eMe Be Garrote (Berasategui's casual 1★, open Sun, in town).
-  **SUNDAY PINTXOS CRAWL (Jun 28, 7:00 PM sharp)** — **Sun-open bars only:** Goiz-Argi (prawn brochette) → Casa Urola (steak/scallop) → La Cuchara de San Telmo (foie/octopus) → Atari Gastroleku (beef cheek) → Gandarías (sirloin) → La Viña (burnt cheesecake, closes 11 PM — be there by 10:30).  **Bar Néstor + Borda Berri are CLOSED Sundays** — do NOT route to them on the 28th. (Néstor's tortilla/txuleton + Borda Berri are a weekday/Sat lunch thing only — but Sat is the Berasategui day.)
- **Berasategui wine tip (Eddie = reds only):** skip the set pairing (≈7 glasses, leans white/sweet to match seafood). Tell the somm "bold reds, Cabernet style, €60-100/bottle, price before you open it." Rioja Gran Reserva / Ribera del Duero = the Silver Oak lane.
- **Molly Malone Irish Pub** = literally 2 doors from your hotel. Quick beer anytime.
- **Spa:** La Perla (BOOKED Sat 2:30 PM) handles the spa need. Hotel María Cristina is the luxe backup.
- **Mon last morning:** Galparsoro Okindegia (C. Mayor 6) for walnut croissant + cortado, then Mercado de la Bretxa for vacuum-sealed Idiazabal cheese for the Paris picnic.
- Skipped: La Viña as a meal (Eddie no — but cheesecake stop only is on the Sunday crawl), Mugaritz, Restaurante Chino Mandarin.
-  **Dani hidden gems (slot in Sun morning / Mon AM before train):**
 - **Tabakalera (former tobacco factory, now contemporary art)** ↗ — Plaza de las Cigarreras 1, 10 min walk from Parte Vieja. Massive 1913 factory converted to a free contemporary art center + rooftop terrace with view over Donostia rooftops to the bay. Free entry to all 6 floors of galleries + rooftop. Tue-Sun 11-9. **Slip in pre-train Mon Jun 29** (1 hr enough). The cinema downstairs (Sala 1) shows arthouse films + the bookshop is one of the best in Spain.
 - **Hidden Igeldo funicular + amusement park** ↗ — Plaza Funicular, Igeldo. The 1912 funicular climbs Monte Igeldo (the OTHER hill, west bay end — Monte Urgull is east). €3.75 RT, daily 11-8. At the top: a creaky 1910s amusement park with a wooden "Rio Misterioso" boat ride + a Ferris wheel hanging directly over the cliff. Free to walk around. **The best aerial view of La Concha** — Hemingway said so. Skipped per current plan (Urgull is the chosen hike) but flag it as a sunset alt if Urgull rains out.
 - **Mercado de San Martín — 2nd floor pintxos counters** ↗ — C/ de Urbieta 9, central SS, 6 min walk from hotel. The locals' market — way less crowded than Bretxa, with a full upstairs gastronomic floor. **Bar Pulpo** ↗ (counter, octopus everything €4-12), **El Rincón de Antonio** ↗ (Idiazabal flights + sidra). 30-min market sit-down lunch on the Sun, after the Urgull descent — if you skip La Cuchara crowd.
 - **Museo San Telmo — old convent + the giant Sert wall paintings** ↗ — Plaza Zuloaga 1, base of Monte Urgull (LITERALLY where the hike starts). A restored 16th-c Dominican convent — 11 monumental José María Sert sepia murals in the old church space depicting Basque history. €6, free Tue. Tue-Sun 10-8. Quick 45-min visit = combines with the Urgull hike start. **One of the most-photographed interiors in Spain and almost nobody knows it.**
 - **Casa Munoa engraving + perfume cellar** ↗ — C/ San Marcial 33. The Munoa family have been engraving silver and stationery in SS for 4 generations (1862). Tiny shop with original tools + custom monograms + a small bespoke perfume bar in the back (€80-180 takeaway bottles, sit-down sniff session by appt). M-F 10-2 + 4:30-8.
